# GARLYX

MUCH MORE THAN  
JUST GARLIC!

**MAKE THE CHANGE  
THIS SUMMER**

- Reduce fly irritation at grass with Crystalx Garlyx, containing concentrated garlic extract (**5x more potent than pure dried garlic**), offering natural protection against biting insects
- Produces an invisible screen over the animals body to help repel insects, reducing the risk of infection from bites
- Balances nutrient deficiencies in summer grass
- Boosts **forage digestibility by 10%** and **dry matter intake by up to 15%**
- Also available, Crystalx Organyx Garlic, specifically for organic farming systems
